

inter.noise 2022

21-24 August 2022, SEC, Glasgow, Scotland, UK

**51st International Congress
and Exposition on Noise Control
Engineering**

INVITATION TO PARTICIPATE

We invite you to support the 51st International Congress and Exposition on Noise Control in 2022 that will be held in Glasgow on 21-24 August 2022. Now is the time to increase your brand visibility by becoming a Sponsor at INTER-NOISE 2022!

This is an excellent opportunity to be a sponsor and/or exhibitor and be part of the discussion on the next 50 years in noise control. INTER-NOISE congress typically attracts 1000 attendees globally who are engineers, consultants, educators, researchers, software users and students in noise & vibration control and acoustics. Sponsors play a vital role in making INTER-NOISE's event a successful one and help lead the way in the noise and vibration control industry

Benefits of sponsorship include:

- Immediate impact on awareness of your company in the community globally
- Positioning of your company as a leader in an important field
- Reach your global target audience of consultants, engineers, and students, who represent the future of noise control engineering
- Show your support to the noise-control and vibration industry
- Stand out as a partner in making the world a quieter place

We hope to welcome you to the Glasgow in August 2022.

Your primary contact for further enquires In Conference (+44 (0) 131 336 4203 / internoise2022@in-conference.org) who will be delighted to discuss your objectives.

Yours sincerely,

TERMS AND CONDITIONS

Exhibition

Amendments to exhibition layout

While every effort is made to preserve the published layout of the exhibition, the Organisers shall be entitled to vary the layout if this is in the general interest of the exhibition.

Build up

No one under the age of sixteen (16) will be permitted in the exhibition during build-up or dismantling.

Maximum stand height

The maximum height for any part of any stand will be 4 m from the ground.

Disruption to other exhibits

The Organisers reserve the right to restrict exhibits, which, because of noise, method of operation, materials or any other reason, become objectionable to other exhibitors or to delegates. No microphones, loud speakers or other forms of public address system are to be used on the exhibition floor.

Give-aways and distribution of printed materials

All stand activities (any form of food and drink included) and giveaways must receive approval from the organising committee prior to the congress. If any items on any stands have not been given advance approval by the organising committee, regardless of their nature, they will be removed. All requests for approval must be received no later than one month prior to the congress. Please note that the stand number used to book your exhibition space will not be your final allocated stand number. Please therefore do not include this reference number on any promotional materials. The congress programme will provide all delegates with details of the layout of the exhibition space and associated stand locations.

Disclaimer

The acceptance of a product or service for exhibition does not in any manner constitute an endorsement by the Organisers. Each exhibitor and/or sponsor is responsible for the material and information they make available at the Congress. Exhibitors and sponsors should only present material and information which has been approved by their legal departments and which is in compliance with the legislation of the host country of the Congress. It is the responsibility of exhibitors and sponsors to address these issues and any conflicts arising from such matters directly among themselves as the Organisers will not arbitrate in any way in legal issues of this nature.

Liability

The Organisers cannot accept responsibility for damage caused by an exhibitor nor for loss sustained by an exhibitor. Exhibitors or their agents must not damage or deface the exhibition facility or the booths and equipment of other exhibitors. When such damage occurs, the exhibitor is solely responsible and is liable to the owner of the property. Exhibitors must make provision for the safeguarding of their goods, materials, equipment, and displays at all times.

Security and insurance

The Organisers will not be held responsible for any loss or damage to exhibitors' goods and exhibitors are reminded that they should take out their own insurance for such indemnities.

Health and Safety at Work Regulations

It is the responsibility of the exhibitor to ensure that their contractor, employees, displays and exhibits comply with the latest legislation regarding Health and Safety at Work regulations.
