Seminar – Sunday @ 9a.m.

Building Resilient Teams: Understanding Burnout, Stress, and How to Integrate Wellness into Your Company Strategy

Caroline Milton, Milton Coaching
Lennis Perez, Just Lennis, LLC

In this seminar, you will gain insights into the intricacies of burnout and stress while uncovering innovative approaches to seamlessly infuse wellness principles into your company's strategic framework. Through engaging discussions and practical takeaways, you'll learn to sculpt teams that thrive under pressure, empowering your organization to surge ahead while nurturing the well-being of your most valuable asset – you and your team.

Business Best Practice Roundtable Sunday @ 11:15 a.m.

The roundtable is a time for you to get your questions answered and share your expertise with your colleagues.

Topics are curated by attendees and we will get to as many as we can. Bring your challenges, questions, and success stories.

Past roundtable topics:

- Managing expectations from clients
- Minimize uncompensated work
- Improve DEI in your firm
- Addressing scope creep in design-build projects
- HR, insurance, and accounting outsourcing and tools
- Remote work
- Getting paid more quickly
- Billing issues
- Retirement and succession planning

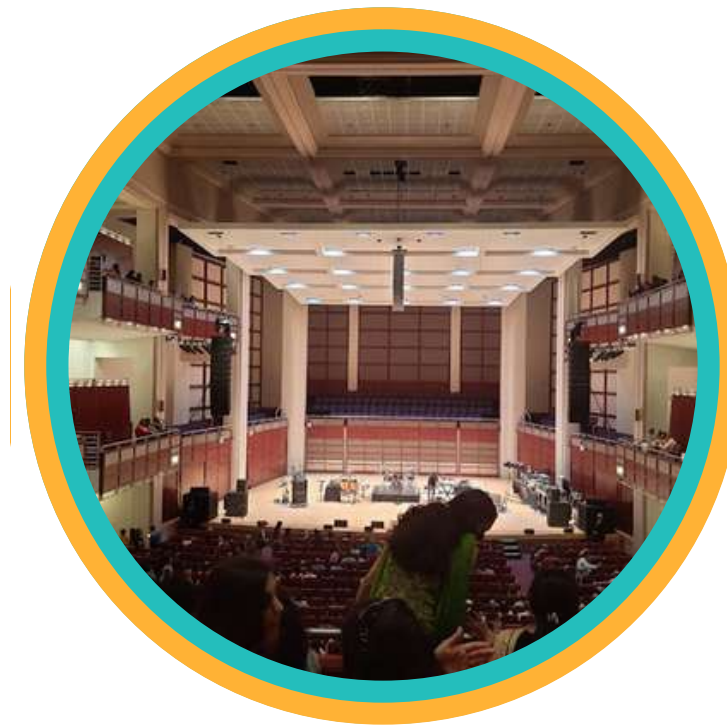

Acoustical Tours

Holy Name of Jesus Cathedral

Friday @ 2 p.m.

Acoustical tour of Holy Name of Jesus Cathedral. We will explore how the cathedral is used, its history, how it was developed as a project, challenges in the design and construction of the project, and the acoustical portions of the project (audio and general acoustics). Project Collaborators: Stewart Acoustical Consultants, AVCON (sound system contractor), Fred Schafer, FC Schafer Consultants (primary loudspeaker system designer), Dana Kirkegaard, Kirkegaard Acoustics (acoustics around organ), Fisk (organ designer), Meyers Sound (loudspeaker manufacturer) Clancey and Theys (builder), James O'Brien, O'Brien & Keane (architect).

Meymandi Concert Hall

Saturday @ 1:15 p.m.

Tour this beautiful concert hall guided by NCAC members involved in the project and facility managers. Group tickets for the symphony performance later that evening. Project collaborators Edward Dugger, Edward Dugger + Associates, P.A. and Peter Scarbrough, Akustiks, LLC will be our tour guides.
